MY FAVORITE FUN

DEAR CHUCK E...

First of all I have NEVER had a bad experience. This place is clean, employees are nice, Chuck E. is "approachable", food delicious, etc. The employees are wonderful but one definitely stands out and OMG what? He's NOT the manager? His name is David. All those kids come to him, customers and employees when they need something. I worked at Heinz for many years in Human Resources and let me tell you this guy needs a promotion! He does everything from direct the employees, bring out pizza, answer questions, pat the kids on the head you name it. My husband was floored when I told him the guy wasn't the manager. It's that much of a surprise. They are all awesome, but David is phenomenal.

I want to acknowledge Carey, the manager of electronic games at the Pompano location. He is a wonderful man, courteous, attentive, friendly and diligent. His attitude is amazing! He treats guests with respect and truly cares about his job. People like Carey are truly an asset to Chuck E. Cheese and need to be recognized. He always goes above and beyond. The location is clean and well cared for, especially the bathrooms, which is appreciated! All the staff are also very friendly. Thanks so much for a clean, safe and fun environment to take my grandchildren.
